Issues Raised

- 1) Whether the proposed fill is consistent with the McAteer-Petris Act regarding fill and relevant Bay Plan policies on Fish, Other Aquatic Organisms and Wildlife, Tidal Marshes and Tidal Flats, Safety of Fills, and Mitigation.
- 2) Whether the proposed project is consistent with the Bay Plan policies regarding the priority use designation for the project site.
- 3) Whether the proposed public access would be the maximum feasible consistent with the project and is consistent with the Bay Plan policies on Public access, Recreation, and Appearance, Design and Scenic Views.

BCDC Application No. 2017.007.00
